TECHNOLOGY STUDENT ASSOCIATION WORK LOG

Date	Task	Time involved	Team member responsible (student initials)	Comments
02/02/2025 1.	Logo	30 min	B.C	Fiddled and threw some things together and created a logo
02/03/2025 2.	About Us Page	1 hr	B.S	first found a color palette and created graphics on canva
02/04/2025 3.	Careers Page	11/2 hrs	B.C	other restaurants and came up with the roles we wanted for the restaurant, there isnt an online application because we are a small business
02/05/2025 4.	Menu	2 hrs	B.S	Reserched vegan food and looked at some recipes and created a small menu, sort of cafe style.
05/06/2025 5.	Farm-To-Table	1hr	B.C	Decided to make it completly fresh incredients, and talked about how we would support local famers too.
02/07/2025 6.	Home and FAQ	2 hrs	B.S and B.C	We both pitched in for the home and FAQ page, we both were a little lost on what to do for the Home page because we had a seperate page for about us so we jusrt came up with "Menu Highlights" Basically specials
